Commission Discussion
Gonzalez, think the sign would be well received. Great spot for this sign. Good advertisement.
Carlson, no questions
Blayney, no questions
Valdez, no questions
Brock, Mr. Wiebe would retain control of who advertises on the sign. Yes.
Kruper, these are great ways to attract attention. As far as using for community events, this would be a good option.
Valdez, can we get clarification on the use of the sign.
Wiebe, advertise for renters in buildings on his property. Advertising is an option, but this makes it easier to change signs instead of having new ones made.
Blayney, limit discussion to animated signs

Submitted by
Mary Colby, Planning Secretary
To: Kingsburg Planning Commission  
From: Greg Collins, City Planner  
Subject: Time Extension, Subdivision Tract Map No. 6151, Gerald and Barbara Erickson  
Date: May 14, 2020

**Recommendation**

That the Planning Commission pass Resolution 2020-__ approving an extension of the expiration date for Subdivision Tract Map No. 6151, Gerald and Barbara Erickson (“Tentative Tract Map”) for a period of one (1) year. Staff recommends the Tentative Tract Map, 6151, originally approved on April 17, 2017, be granted an additional one (1) year extension as permitted by Section 16.20.070 A. of the Kingsburg Municipal Code to May 2021.

**History**

The Planning Commission held a public hearing on the Tentative Tract Map on April 14, 2017, and approved the Tentative Tract Map. The term of the Tentative Tract Map was two (2) years. There was a one year extension granted in 2019 extending the map to 2020.

The Tentative Tract Map was for 64 single-family residential lots and associated open space uses, on 19.98 acres located on the west side of 10th Avenue between Stroud and Kamm Avenues in Kingsburg. The APN for the subject property is 394-021-14.

The applicants have expressed interest in proceeding with a final subdivision map on the subject site. However, in order to seek approval of the final subdivision map, the Tentative Tract Map must be extended. The subdivider has provided the City with a written application requesting the expiration of the Tentative Tract Map be extended for a period of one (1) year and until May 2021. Pursuant to Section 16.20.070 of the Kingsburg Municipal Code, upon written application by the subdivider, the Planning Commission may grant an extension of the Tentative Tract Map for a period not to exceed one (1) year.

**Conclusion**

Staff recommends that the Planning Commission approve Resolution 2020-__ extending the expiration date of the Subdivision Tract Map No. 6151, Gerald and Barbara Erickson, to May 2021.
