Housing Element Update Process

Regional Efforts – Timeline

Regional Housing Needs Allocation (RHNA)

How is the RHNA Determined?

State Role

The State projects future housing needs at various income levels and allocates units to COGs Statewide

Total RHNA = 2,502,971

Regional Role

The COG develops a methodology to evaluate factors for distribution of units to each jurisdiction; methodology approved by HCD

Fresno COG RHNA = 58,298
Adopted June 2022

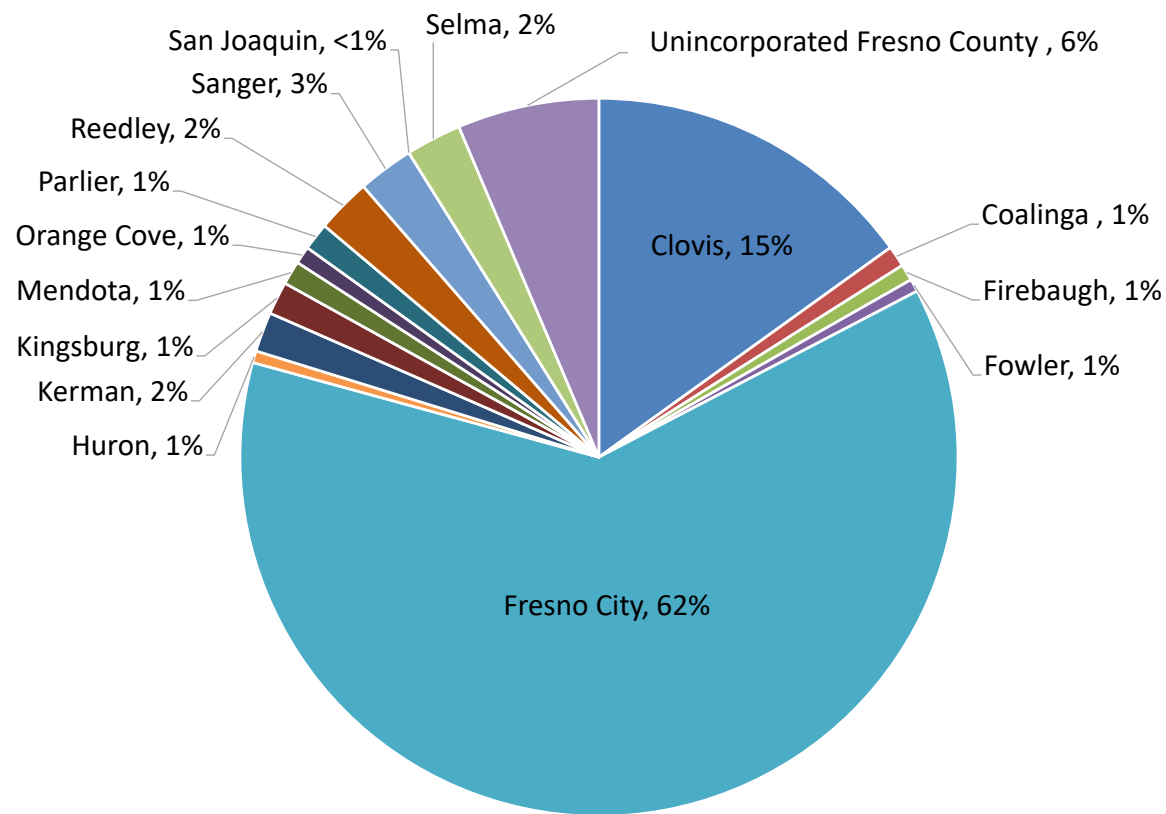

Local Role

Cities and counties are allocated units. They must then find ways to accommodate – enough land at appropriate densities

Fresno COG RHNA

Jurisdiction	RHNA Allocation	RHNA Allocation Percentage
Clovis	8,759	15%
Coalinga	552	1%
Firebaugh	432	1%
Fowler	331	1%
Fresno City	35,972	62%
Huron	311	1%
Kerman	1,037	2%
Kingsburg	861	1%
Mendota	626	1%
Orange Cove	458	1%
Parlier	715	1%
Reedley	1,428	2%
Sanger	1,458	3%
San Joaquin	195	<1%
Selma	1,456	2%
Unincorporated Fresno County	3,707	6%

Density to Accommodate the RHNA

Cities and counties must show adequate land zoned for housing to accommodate the RHNA at each income level

» Default density standard for lower-income housing (Section 65583.2(c)(3)(B)):

- Metropolitan jurisdictions: 30 units per acre
 - Fresno
- Suburban jurisdictions: 20 units per acre
 - Coalinga, Firebaugh, Fowler, Fresno County, Huron, Kerman, Kingsburg, Mendota, Orange Cove, San Joaquin, Sanger, Selma
- Nonmetropolitan w/micropolitan area: 15 units per acre
- Nonmetropolitan jurisdictions: 10 units per acre

Strategies to meet the 6th Cycle RHNA

Starting with sites from the 5th cycle element

Focus on sites larger than 0.5 acres and smaller than 10 acres

Look and Vacant and Underutilized sites

Projected Accessory Dwelling Units (ADU)

Consider Pipeline Projects and Specific Plans

Key Changes to State Law

New Laws

» AB 215: Updates to Housing Element Timeline

- Adds mandatory public review period for Housing Elements prior to HCD submission
 - 30-day minimum public review period, with an added 10 business days if comments are received
- Extends HCD's review period
 - Draft Element: 60 days → up to 90 days
 - Adopted Element: 90 days → up to 60 days
- Deadline for Housing Element adoption does not change (**December 31, 2023**)

New Laws

» AB 1398: Rezone Timeframe

- Requires jurisdictions to adopt a compliant Housing Element within 120 days of the deadline
 - If not in compliance by deadline, rezones must be completed within one year of the beginning of the planning period – if not completed, compliance may be revoked
 - If the Housing Element is adopted more than one year from the element due date, the element cannot be found in compliance until rezones are complete
- Removes the 4-year update consequence if adopted outside of the 120-day deadline

New Laws

» **AB 72: Accountability and HCD Enforcement**

- HCD may revoke housing element compliance for failure to complete housing element rezone obligation (or any other act or failure to act that is inconsistent with the housing element)
- HCD may report to the Attorney General violations of no net loss statute, housing accountability act, density bonus law, and fair housing law

» **AB 1397: Identification of Realistic Sites**

- If more than 50% of lower-income sites are non-vacant, the law assumes that the existing use will prevent redevelopment unless there is evidence to the contrary
- Sites smaller than 0.5 acres or larger than 10 acres are presumed inappropriate for lower-income housing unless there is a track record of similar development

New Laws

» **SB 166: No Net Loss Zoning**

- If a project is approved on a housing element site with fewer units or a different income category, cities must either:
 - Make a written finding that other housing element sites are adequate to meet the RHNA for lower- or moderate-income housing; or
 - Identify and make available within 180 days other sites zoned at a density suitable for lower- or moderate-income housing

» **SB 35: Application Streamlining**

- Applies if number of building permits issued is less than the share of the RHNA by income category for the reporting period.

New Laws

» **SB 330: Removes “Roadblocks” to Development**

- Prohibits downzoning and reduces process time
- No Subjective Design Standards

» **AB 686: Affirmatively Furthering Fair Housing**

- Housing Elements must:
 - Assess fair housing issues in the community
 - Analyze areas of opportunity and access to resources
 - Identify housing sites that foster an inclusive community and provide equitable access to resources
 - Identify strategies to address barriers to fair housing and combat discrimination and displacement
 - Include programs to implement these strategies

New Laws

» SB 9: Housing Development Approvals

- Legislation:
 - Allows 2 units per lot, for a potential of 4 units on single-family lots
 - Urban lot splits to be allowed within urbanized areas on lots that do not require demolition or alteration of moderate- to very low-income housing and will be roughly equal in size
- Impacts on the Housing Element Update Process:
 - Coordination with HCD to determine approach to meeting the RHNA
 - Analyzing how SB 9 units may help meet the moderate- and/or above moderate-income RHNA

Thank you
