Welcome to the City of Kingsburg Dog Park

Lend a helping paw!

Kingsburg was in need of an off-leash option for dog owners. After careful consideration, Kingsburg community members came together with a plan to open a new dog park.

The new site is located on Simpson St. and Laurel St., just north of the Kingsburg Veterinary Clinic. With the close location to the veterinary office, we hope that your dogs will be able to have some playtime before their “Dr. Doggie” visit.

The park is maintained by the City of Kingsburg, but it is up to the daily users to maintain the cleanliness of the park.

This is a passion of many citizens to have an open space option for their dogs. We are hoping to count on you for your time and financial support.

Please read further so we might share our vision and purpose for all involved.
